

Below is a complete list of school supplies that the Caring and Sharing Exchange requires for its Sharing in Student Success program. Items are divided by grade level and provided to students from families in need every September, so all students in Ottawa can return to school on equal footing with their peers, ready to learn.

We are extremely grateful for any donations we receive for this incredible program. Due to the high volume of items we receive in the lead up to SISS, as well as the quantities of each supply that we distribute per grade level, there are some items that we are more in need of than others.

**Most-needed items for SISS 2019:**

- **New backpacks** (Child- or youth-sized with no corporate logos, offensive designs, or text)
- **Blunt scissors** (we cannot accept sharp scissors – please only donate scissors that are appropriate for kindergarten-aged children)
- **Geometry sets**
- **Pencil crayons**
- **Glue sticks**
- **Calculators**
